Fire department will be manned at all times

St. Albert's fire department will have three additional full-time employees by January 1970 and be manned on a 24-hour basis seven days a week.

Council voted 6-0 Monday night in favor of adding one man to the full-time staff by Oct. 1 and another two by Jan. 1, 1970.

Chief Fred Tetarenko and Captain Paul Poulin are the only full-time firemen at present.

The chief, in requesting the additional men, said the pressure on the volunteers has grown to the extremes and is reflected in the increased number of fire calls.

He said at one time being a volunteer fireman meant going to fight a neighbor's fire. It was not that way any longer; it was now a job, a hard job. Every year there are more buildings and more fires.

He said morale in the

department was suffering because of the pressure.

"When on standby duty, they can hardly leave the yard," Chief Tetarenko said, "and they all know one of them has to take the fire call and get the truck moving. It's a tremendous responsibility."

The chief said that allowing time for training and reorganization, complete manning of the fire hall should be in effect by March.

The firemen will be paid \$6,000 per year.

The chief pointed to, back his request, to developments in Braeside and Grandin Park, a hospital that is nearing completion, a new apartment building in Mission Park and proposals for two more, illustrating how the town is growing.

Councillor, on the recommendation of Councillor J. J. Baker, re-endorsed the principle of a volunteer brigade and agreed to look into the matter of having town employees double as firemen in the event of a fire.

Youville Home tax problem cleared up

Council has reached agreement with the Youville Home on the payment of back taxes.

Council agreed Monday night to accept \$99,421.42 in arrears on Sept. 15 and allow the Sisters of Charity to spread payment of \$36,159.25, the remaining arrears plus penalty, over the next three years.

Council will not read the bylaw to charge them the municipal portion of taxes

for these three years.

No taxes were paid on the home in 1966, 1967 or 1968, when it was liable for the full brunt of taxation, the municipal portion plus that of supplementary requisitions, foundation program and health and welfare.

Under an amendment to the Municipal Taxation Act this year, nursing homes now only pay the municipal portion of the tax.

No raise in pay for councillors

Public meeting on row housing

The firm planning an \$8,000,000 row housing development in West Grandin Park has called a public meeting for Sept. 15 in the Community Hall.

Irvine Kipnes, managing director of Delcon Management Corp., will outline the project in detail and present renderings.

Mr. Kipnes said he made the decision to call the public meeting following a flood of inquiries about the type of housing, recreational areas and costs.

He said it would be easier to show people the two major recreational areas planned and at the same time explain how existing taxation structures will not be adversely affected.

He claims there is a possibility that the development might result in the lowering of taxes.

The project will occupy a 50-acre site and will accommodate about 500 units. Construction is scheduled to start this fall. The project has received approval in principle from council.

The public meeting will start at 8 p.m.

A pay raise Mayor Ray Gibon proposed for councillors was rejected Monday night on a 3-2 vote.

Mayor Gibon had recommended that councillors' fees for all meetings be raised from \$15 to \$25 effective with Monday night's meeting.

He got support from Councillors Bob Russell and René Kambouroff but Councillors J. J. Baker, Armand Donais and Frank Lukay voted against the raise.

Councillor R. G. Wheadey was not at the meeting.

Fashions

What's new in fashions?

Pace setter styles and fashions from Simpson Sears will be shown in the St. Albert Community Hall on Tuesday, Sept. 23, at 8 p.m. Sponsored by the St. Albert United Church women, tickets are available from any member of the UCW or at the door. Coffee and dainties will be served following the fashion show.

Mayor Gibon, in presenting the motion, said it was not actually \$25 a meeting but \$25 spread over two sessions. He said councillors put in many long hours.

"Any councillor doing his job will have to spend several hours going through the stuff to prepare for a meeting," he said.

Councillor Lukay said he agreed about the time councillors put in, but that he couldn't support the motion. "Even with the increase it's not really enough to rate as pay, yet collectively it amounts to quite a bit, too much for the town to support at this time."

Councillor Donais, also speaking against the motion, said the same arguments were valid now as when the fees remained at \$15 after discussion before. "Besides," he said, "there's an election coming up. Let the new council decide what it wants to pay itself."

Councillor Baker said a pay raise for council at this time would set a bad example for the town hall staff and council would be faced with other requests for pay raises.

ED SAVOIE OF VILLENEUVE AND HIS TROPHIES

Truck rodeo winner is repeat champion

Ed Savoie of Villeneuve, provincial all-around Truck Rodeo Champion and winner of Straight Truck Class, came out of retirement on Sept. 6 winning back the

trophy he won in 1960.

It was a great challenge for him and a great honor to win the Anne Taylor Trophy for the best all-around driver from the four classes,

He will compete for the Province in the National Truck Rodeo which after 25 years in the east, will be held in Calgary Sept. 27, the first time ever held in the west.

Ed has been active in car rodeos and especially truck rodeos for the past 14 years.

In 1960 he won first in Straight Truck Class and went to Toronto to compete for the Province. Here he came third, losing out to the British Columbia representative by three and one-half points and the Ontario competitor by two points.

To enter in a Truck Rodeo one must have been driving steady and accident-free for one year prior to the Rodeo. Here are some of the skills on which drivers are tested. A written test on Alberta industry, first aid, fire fighting and rules of the road, also equipment defect test and appearance test. Then the full driving test with a truck.

This includes such things as off set alley, serpentine, alley dock, straight line, right angle turn, diminishing clearance and stop lines. There is a time limit, so over 10 minutes one is disqualified.

His son Larry also won the provincial straight truck Rodeo class in 1963.

New Presbyterian minister arrives

Rev. J. M. Murdoch has taken over the ministry of the Brasfield Presbyterian Church in St. Albert.

Mr. Murdoch, born in Edinburgh, Scotland, but raised in Victoria, B.C., has served in Swift Current for the four previous years.

Mr. Murdoch is married and he and his wife, Olive, son Brian, 19, and daughter Janice, 16, have taken up residence at 55 Gladstone Cres.

While in Swift Current, Mr. Murdoch was padre of the Royal Canadian Legion Branch and the Cosmopolitan Club.

Keenly interested in youth, he intends to offer his services to Mayor Ray Gibon as a volunteer adviser for the local teen centre, The Sanctum.

Mr. Murdoch said youth programs within the church are often hard to get going.

REV. J. M. MURDOCH

"Teenagers think of programs connected with the church as dull and drab," he said, "they don't associate the church with teen stuff." He feels that St. Albert should be part one of the big hurdles in getting something going for the teens, in that it already has a building.

Judy Wood double winner in tennis tourney

The Second Annual St. Albert Invitational "B" Tennis Tournament held Saturday and Sunday was very successful, says president Judy Wood. The tournament attracted entrants from the city clubs of Garneau, Glenora, Hillcrest and also players from Red Deer and Peace River.

The 45 entrants were limited to entering a maximum of two events which meant that no player could be eligible for three trophies. Tournament organizer Clark Warren reported that the good weather, plus the use of professional sets (the first player to reach nine games)

for all but the finals helped keep the draw on schedule - with the four town courts in constant use all day Saturday and Sunday.

The men's singles event with its 20 entrants was marked by a series of upsets, with third seed Dave Elliott of Glenora finally emerging victorious, defeating unseeded Kurt Schaefermacker of Garneau in the final 6-4, 6-4.

The ladies singles event was a double knockout which saw top seeds Vera Coley from Red Deer defeat second seeded Leslie Bowen of Hillcrest initially, then bow to Leslie in the final 6-3, 6-2.

Leslie is a 15-year-old junior with a seemingly promising tennis career ahead of her.

The only double trophy winner of the day was Judy Wood from the St. Albert club. She and Anne Pulecover from Glenora lived up to their position as top seeds in the ladies doubles, defeating Margaret McCamley and Cynthia Baker of Hillcrest (the second seeds) 6-2, 4-5, 6-1 in the final.

Judy later teamed with Dave Kirk from St. Albert to upset the top-seeded couple of Charlie and Vera Coley from Red Deer 6-1, 6-1.

The Garneau team of Ken Brown and Gerry Brozakowski won the men's doubles, defeating Charlie Coley and Lynn Kealy of Red Deer 6-1, 6-1.

The secondary mixed doubles was an all St. Albert affair which saw Anne Kirk and John Cochrane defeat Bert and Angela Sonntag 6-2, 6-3. In men's singles Ab Gajewski of Hillcrest defeated Clark Warren of St. Albert 7-5, 6-3. In men's secondary doubles Mike Craigman and Larry Kennard of Glenora defeated Lorrie Wood of St. Albert and Ray Beach of the University 6-1, 6-3.

Collecting primary event trophies at the St. Albert Tennis Club's tournament at the weekend were Leslie Bowen and Judy Wood, front row, and Dave Elliott, Dave Kirk, Gerry Brozakowski and Ken Brown.

THE FATTED CALF

Scheduled for Thursday's first rehearsal is a discussion of how the choir can contribute more meaningfully to the worship services plus plans for the reorganization of the St. Albert Singers.

For further information, call Mrs. Upright at - 599-6957.

A big push will begin shortly to move tickets on a calf that has been fattening on the farm of MLA Keith Everitt all summer.

Mr. Everitt donated the calf to the St. Albert and

District Arena Fund last spring and the St. Albert Chamber of Commerce took on the job of conducting the raffle.

The arena fund, with about \$20,000 in the pot, is still \$40,000 shy of target.

The arena committee held a meeting last week to reactivate after a summer lay-off.

Letter to the Editor

Dear Sir:

On behalf of the girls and boys of all the Grade 2 classes in St. Albert, I should like to thank all those responsible for creating the opportunity, and setting up and carrying out the excell-

ent swimming program which was completed last June.

The St. Albert Gazette, I understand, deserves the credit for sponsorship of the goldfish award cards; mem-

bers of the school systems did the paperwork organization of time-tableting; and finally, particular praise is in my opinion merited by the excellent staff of our local swimming pool.

They did an outstanding and conscientious job, I know, with our 140 odd Grade 2's from Sir George Simpson Elementary School, and with such consistent good humor and friendliness that the children could not help but enjoy learning to swim.

I am sure all of us, parents and teachers as well as children, appreciate and value this program, as well as the excellent summer programs which have been carried out this year.

F. F. Carnahan,
Principal,

Crafts Guild teachers awarded scholarships

Two instructors from the St. Albert Crafts Guild have been awarded scholarships from the provincial government's cultural development branch.

Mrs. Evelyn Grant, 25 Balmoral Drive, and Mrs. Nell Sadee, 17 Grosvenor Blvd., received the scholarships after submitting samples of their work for judging.

Mrs. Grant's field is copper enamelling and she will use her scholarship to take a course in design at the University of Alberta.

Well-known in St. Albert for her work in ceramics, Mrs. Sadee is an active member of the Edmonton Potters Guild and has taught both children's and adult's ceramic classes for the St. Albert Crafts Guild.

Both instructors will be teaching classes for the guild this season beginning Oct. 6 at the Guild Centre, Salis-

bury Park. Samples of work in both these fields as well as many others will be on display at the centre Sunday Sept. 28 when the St. Albert Crafts Guild will hold an open house from 2 to 4 p.m.

duct a feasibility study into the possibilities of obtaining a covered skating facility was debated by council for more than 20 minutes Monday night.

Then it was referred to finance committee on a 5-1 vote.

Councillor Russell said an architect consultant should be directed to study the feasibility of constructing a temporary or permanent enclosed building suitable for minor hockey and recreational skating, and the installation of an ice plant.

He said terms of reference should be broad enough in scope to allow the consult-

ant to consider various recreational combinations to include a floor for ice skating in winter and other sports in summer.

"We have to see what can be done within the financial capabilities of the town," Councillor Russell said. "It's quite possible we can't build an arena for five to six years. But we might be able to put up a building that would eventually become a community building, that would do the job until we could put up an arena."

The councillor said such a building would not have any or much spectator accommodation.

Councillors Armand Donalds and Frank Lukay both had had enough of consultants.

"We need this facility, and I don't think we need a consultant at \$3,000 to \$5,000 to tell us we need it," Councillor Donalds said, casting the lone vote against referral to finance.

"It will cost us money and we won't know any more than we do now," Councillor Lukay said.

The recommendation for referral to finance came from Councillor J. J. Bakker who brought up three points:

1. There is still no site available;
2. There is no allowance in the budget for the study;
3. How much will it cost?

Mayor Ray Gibbon pointed out the town had already paid out \$4,500 for a set of plans, and it should be seen

what could be salvaged before they are thrown out.

He said he didn't want to see the motion defeated outright because it had merit. But he said he wasn't too sure the town shouldn't be looking at a complete arena facility, rather than a shell or temporary building.

Gibbons council meets

A delegation will attend the Municipal District of Sturgeon council meeting on Oct. 8 or 9.

Water and sewer lines are now completed at the new bank and it should open as soon as other utilities are installed.

It would appear that residents of the village have forgotten the dog bylaw and dogs are running loose, many without licenses. The village constable will be asked to enforce the law rigidly in the future.

In the near future the village will be forced to close the existing dump grounds and will have to get a new

place of land for this purpose in the country. This will mean that all burnable refuse will have to be burnt by the residents of the village because of the hauling problem.

A letter will be written to ratepayers and both trailer parks that during the next 12 months water mains in the village may be shut off from time to time for two to four hours for maintenance purposes. All trailers and houses with freezing problems are asked to winterize their buildings properly. The village will take no responsibility whatsoever for frozen water lines.

Congratulations to Rev. George Henri Primeau, pastor of St. John the Baptist Parish in Morinville, who celebrated his 25th anniversary to the priesthood on Wednesday, Sept. 10. Formal celebrations are being planned for Sunday, Oct. 26 by a committee of the church council. ***

The Morinville Girls Fastball team won the Municipal District of Sturgeon Trophy in the final against Busby.

Captain Robert Heymier presented the trophy to team Captain Lea Ropel. On the team were Gladys Gauthier, Lea Ropel, Pat Podgurney, Louise Casavant, Paulette Rousseau, Pauline Rousseau, Lorraine Boissonnat, Carol Woytkiw, Linda De Rudder, Louise De Rudder and Auntie Kelger. ***

Miss Colleen Borie was guest of honor at a miscellaneous bridal shower held in the Morinville Legion Hall recently, with some 40 guests present. Hostesses for the evening were Miss Grace and Miss Adele Morris and Miss Pauline Borie.

Seated at the head table were Miss Borie, her mother Mrs. Gerard Borie, Mrs. Harry Saunter of Edmonton, Miss Linda Borie of St. Albert and Miss Eleanor Saunter of Edmonton.

Among the prize winners for the evening were Mrs. Rita Salt of Morinville, Mrs. K. Fisher, Mrs. B. Hinck and Mrs. Rita Borie.

Miss Borie will be married to Brian Saunter on Sept. 27. ***

Mr. and Mrs. Charles Perron have moved into the home they recently purchased from Clarence Brennells in Riviere Qui Barre. The Brennells have settled in their new home in the same vicinity. ***

Mrs. Lola Brodeur of Montreal is visiting at the home of Mrs. Alice St. Germain in Morinville. ***

Mrs. Ann Maslyk representing Morinville Town Council, and Mrs. Rose Martel, delegate from the Morinville Board of Trade, attended the Edmonton Area Industrial Development Association meeting at Redwater on Sept. 5. Municipal District of Sturgeon councillors present were Walter Van de Walle, William Flynn and Jack Harold. ***

Mrs. Lorette Ouellette and family moved to Edmonton last weekend.

Morinville women attend convention

Two Morinville women will attend the 49th Annual Convention of the Catholic Women's League of Canada in Victoria, B.C., Sept. 15 to 20.

Anne Maslyk, provincial second vice-president, and Dorothy Curtis, president of the Morinville Local, have been appointed as delegates from Central Alberta.

Other delegates from Central Alberta will be Dorothy Roberts and Anne Kokatillo of Westlock, Betty Sale and Mona MacGregor of Athabasca, and Nina Timperley and Margaret Badger of Edmonton.

The National President, Mrs. Valentine Fabris of Winnipeg, will chair the sessions, which will take place at the Empress Hotel.

Theme of the convention is "Through Help, Hope." A theme day will be held, during which workshops on communications and leadership will assist members in endeavouring to discover the role of the Christian conscience in bringing hope to people in poverty. While cognizant of the terrible problems of poverty existing in Canada, the convention theme is directed more widely to the problem of poverty in developing countries. In keeping with the idea of "help" bringing "hope," a Hunger Luncheon will be held, the proceeds of which will be given to the Canadian Catholic Or-

PARKO - STAPLETON

wedding

MORINVILLE - St. John the Baptist Church in Morinville was the scene of a lovely afternoon wedding recently when Miss Shelley Stapleton, daughter of Mayor and Mrs. Arthur Stapleton, and Allan Parko, son of the late Mr. Parko and Mrs. Anne Parko of St. Albert, were united in marriage in a double ring ceremony in an all white and blue setting with Rev. Father George H. Primeau, pastor, officiating. Mr. Norman Chalifoux was the organist and Mr. George Lavallee soloist during the ceremony.

The bride chose a heavy pearl d'eglise white silk, with a wide guipure lace trimmed gown. The exclusive model featured an empire waist, long lily point sleeves, A-line skirt and wide lace insertion at the waist. The long cathedral train also lace edged and was attached at the shoulder lines. A short shoulder length bouffant veil of illusion net was held in place with a cluster of satin buds.

She carried a large nosegay of red American Beauty roses with satin streamers. Her three attendants were Mrs. Michaela Stapleton of Legal, matron of honor, and sister-in-law of the bride; Mrs. Arla McDonnell of Edmonton, sister of the groom, and Miss Diana Williams of Morinville. All three chose identical deep royal blue Georgette crepe gowns, featuring empire waist in a

ganization for Development and Peace.

The Most Reverend James P. Mahoney, D.D., National Director, will address the members at the opening session, at which time the national president will also present her presidential report.

Highlight of the convention will be a new social action study program presented by the Social Action Convener, Mrs. J. J. Matthews of Toronto. This program is designed for use by each standing committee of the league to study, in depth, the question of - and the answer to - poverty. In conjunction with the presentation of this study program, there will be submitted a proposal to implement the theme, which, if accepted by the convention, will personally involve every member of the league during the coming year.

The convention will conclude with a banquet in the Empress Ballroom at which the speaker will be the Most Reverend Remi De Roo, STD Bishop of Victoria.

Social events will include a dinner, courtesy of the province of British Columbia, a sherry party, a trip to Butchart's Gardens, and a reception at Government House, courtesy of Col. the Hon. J. R. Nicholson, PC, OBE, QC, LLD, Lieutenant Governor of British Colum-

bia.

Obituaries

LOUIS A. CAUETTE

On Aug. 27th Louis A. Cauette died suddenly while visiting in Grand Pass, Ore. Funeral services were held on Friday, Sept. 5 at the Immaculate Conception Roman Catholic Church in Edmonton with Rev. J. Romeo Kitcher officiating. Burial followed in St. Joachim's cemetery in Edmonton.

Mr. Cauette is survived by his wife, Therese, one son, Maurice in Paris, France; two daughters, Mrs. Jeannette Chase, Los Angeles, Calif.; Mrs. Helene Devicq, San Rafael, Calif., and three grandchildren, three brothers, Alphonse, Alphonse and Charles, all of Edmonton; two sisters, Mrs. Jeanne Tufts of Legal and Mrs. Alice Tellier of Edmonton.

Mr. Cauette was born in Morinville, the son of the late Mr. and Mrs. Alexandre Cauette, a pioneer family of the district. He later farmed in the district, then took up the barber trade. He operated a pool hall and barber shop in Morinville in the building east of Labonte's Grocery and Meats formerly the Morinville Co-op Building. Later he moved to Edmonton, where he dabbled in real estate, and ran a confectionery for a number of years before illness forced him into retirement.

A reception for some 170 guests followed at the Morinville Recreation Centre, with Peter Gibeault as master of ceremonies. David Cooke proposed the toast to the bride. This was followed by a wedding dance in the evening with some 200 guests present.

For her daughter's wedding Mrs. Stapleton chose a bone white wool crepe ensemble with oak brown accessories.

Mrs. Parko, the groom's mother, wore a blue ensemble with white accessories. Both ladies had orchids complimenting their ensembles.

For her honeymoon trip to the Okanagan Valley the bride changed into a royal blue ensemble with bone white coat and blue accessories and an orchid corsage.

Mrs. and Mrs. Allan Parko will make their home in St. Albert.

ALOYS KLUTHE

On Aug. 30, Alois Kluthe died at Youville Home in St. Albert after his stay there in retirement for the past two years.

Funeral services were held in St. Charles Church with Rev. T. Rozmahl celebrating funeral mass and officiating at the graveside ceremony in the local church cemetery.

He is survived by one son John of Morinville, and three stepchildren, Leonard and Joe Hesse of St. Albert and Mrs. Mary Steffe of Morinville, 18 grandchildren and several great grandchildren three brothers, August of Morinville; John and William and one sister Louise, all in Germany.

Born in Germany, Mr. Kluthe arrived in Canada at the age of 25 to meet his two brothers already here in the Morinville and St. Albert districts. After working in bush camps and as a laborer in the area, he married Mrs. Joe Hesse, daughter of the late Mr. and Mrs. Joe Kluthe of St. Albert.

He continued to farm on the Hesse farm in the Verner district until 1936. Then the family moved northwest of Morinville on the former Joe Steffes Farm. After the death of his wife five years ago, the late Mr. Kluthe retired.

Little Canadian ball final led by Pirates

Pirates of the Sturgeon League took the lead as the St. Albert Little Canadian Baseball championship went up, for grabs last weekend.

Pirates defeated Expos of the Mission League 16-1 in an abbreviated contest and followed it up with an 8-3 victory over Angels, Grandin League champions.

In the only other game played, Angels downed Expos 10-3.

The playoffs were to have opened Saturday but with the Mission Park Diamond in soggy condition following the rain, league chairman Perry Billingsley decided to reschedule the opening games to next Saturday.

The second half of the double round robin will see the Angels visiting Expos at 12 noon, Expos at home to the Pirates at 2 p.m., the Angels at home to the Pirates at 4 p.m.

Despite the high scores, it was pitching that paved the way for the Pirates' sweep Sunday.

Brian Benton struck out six batters in the two-inning opening win over Expos. He allowed two runners to reach first via walks and one scored when he advanced on a wild pitch and two passed balls.

Pirates, meanwhile, were collecting four runs in the first and 12 in the second, and Expos called it a day.

Dale Reinbolt started against Angels and over the first four innings allowed only two base runners, one on a walk and one he hit

with a pitch. He struck out eight.

Nursing an 8-0 lead, he ran into a streak of wildness in the fifth, however, walking the first three batters and wild pitching the first two home.

Sandy Millroy came on in relief at that point and got Mark Cunningham to ground out, but Roy Galloway scampered home with Angels' third run on the play. Brian Bedell and Chris Krupa grounded out to Reinbolt at second base, ending the third.

Millroy also held Angels hitless in the sixth, which took Pirates through two games without giving up a hit.

RECREATION

DANCING

Parents of children who are interested in Scottish Country Dancing or Creative Dancing should phone the department of parks and recreation at 599-6601. If sufficient interest is shown classes may be arranged. YMCA SWIMMING

The YMCA winter swimming program for boys and girls of eight and over will start on Sept. 23, when the first of 12 lessons will be held from 7 - 8 p.m. Enquiries can be made by phoning Mrs. Phillips at 599-6445 (Transportation will be provided).

Secretaries of organizations are again reminded to make their requests for accommodation under the Joint-Use Agreement

Chris Hoffart waved the big bat for Pirates throughout the day, clouting two triples, a double and a single. Brian Benton, Greg Pudowski and Reinbolt each had three hits.

Andy Maltby took the loss for Expos in both games. Roger Meunier was the Angels' loser against the Pirates, Chris Krupa picked up the win against Expos.

Angels got off to a fast start against Expos, scoring twice in the first inning and five times in the second. They went ahead 10-0 before Expos hit the scoreboard with one run in the fifth and two in the sixth.

Strikes! That was the call many times last Sunday when the Little Canadian Baseball championships got underway in St. Albert. Nine-year-old Brad Gibeau let this one go just for the photographer. It would have been too good to let go in a game, Brian Bedell is the catcher and the ump, well, that just happens to be Brian's dad, Ken.

RECREATION Hi-Lites

SWIMMING

At the last mile swim of the season, Richard and Michael Garipy, Peter Odeinga and Gregory Styles all won Gold Awards. (This means that they completed the mile within 25 and 30 minutes which is excellent time). Casey Kelly and Sandy Willis swam the distance between 30 and 35 minutes and qualified for Silver awards while Paul and Ina Dykstra and Michael St. Onge won Bronze Awards, (35-40 minutes).

The pool will close on Sept. 21. Tell your friends in the city to the south where the pools close automatically after the labor day weekend! It is hoped that the present good weather will continue though remember that even on chilly days the water is kept at a very comfortable temperature.

The present schedule will continue till Sept. 14 but from Monday, Sept. 15 there will be only one session each day from 6 - 10 p.m. and that will be for public swimming. The usual weekend schedule will be in operation on Sept. 20 and 21. The season is almost over so make use of the pool while you can.

MEN'S SOCCER

Playing a man short, the St. Albert Bruins were beaten by a score of 4-3 by the Kickers in their game on Thursday last at Kinsmen Park. This was unfortunate as they had been leading 2-0. Fred Austin, Gordon Samuels and Roger Marsh scored for the Bruins.

The local team is very grateful to the Bruin Inn for sponsoring them and is most appreciative to Grandin Park Cleaners for keeping their

uniforms in spotless condition throughout the season.

BOYS' SOCCER

Last Saturday, the St. Albert Little Atoms lost out to Lauderdale by a score of 3-1 in the semi-finals of the Edmonton and District Challenge Cup. This score does not truly represent the fine game our Little Atoms played. They have had an excellent season and had high hopes of getting into the final.

als. However, things did not work out that way. But they are sportsmen and we should all be very proud of them and wish them better luck in the future.

One of the best coaches in the St. Albert Little Atom League, Eric Jackson, will be leaving St. Albert shortly with his family. He has been a very faithful and enthusiastic coach for two years and in appreciation of his services is being presented with a memento by the Hercules Sports Association.

A Russian-made air boat travelled the Sturgeon River Friday, sliding through the weeds and climbing over banks. The boat was being displayed by an Ontario dealer who offered free rides to interested viewers.
